

Once you are enrolled the following text commands are available. Simply text **226563** any of the commands listed below.

Text Command	Action
BAL or BAL (account nickname)	Receive account balance (if no account nickname is included, the balances of all enabled accounts will be listed)
HIST (account nickname)	Receive account history
XFER (from account nickname) (to account nickname) (amount) i.e. <u>XFER SAV CKG 10.00</u>	Transfer funds between accounts
LIST	Receive a list of all available text commands
HELP	Receive a list of contact points for information on Text Banking (for example, view Terms & Conditions)
STOP	Stop all text messages to the mobile device (for Text Banking and SMS alerts/notifications)

Note: Signatures (or any other text such as phone numbers) appended to text messages may cause errors in processing. It is recommended that you disable your automatic signature (or any appended text) when sending Text Banking commands.
